

**Minority Recruitment Committee**

Report to the Board

June 15, 2013

Louisville, Kentucky

The committee continues to develop the criteria for expanding the Minority Scholarship Committee to include all KLA scholarships.

The scholarship application deadline will be June 15, 2013. The committee will review the eligible applicants and make an award decision in July.

The 2012 – 2013 recipient was asked to confirm that he successfully completed coursework for the Spring semester at the University of Kentucky. After receipt, the account will be closed out.

Thanks to Wayne Onkst for sharing information about the status of the “License Plate” funds.

Here is the status as of April 30, 2013:

\$10.00 is held in a trust from each license plate sold. KLA will receive the fees at the end of the state fiscal year.

For the period 9/12/12-4/28/13, the account balance was \$ 7282.31.

After the initial year, there are audit requirements in place. At the end of FY2014, KLA is required to send the attestation stating how much money was received and how it was utilized. Then future fees will be remitted.

Respectfully submitted,

Judith
